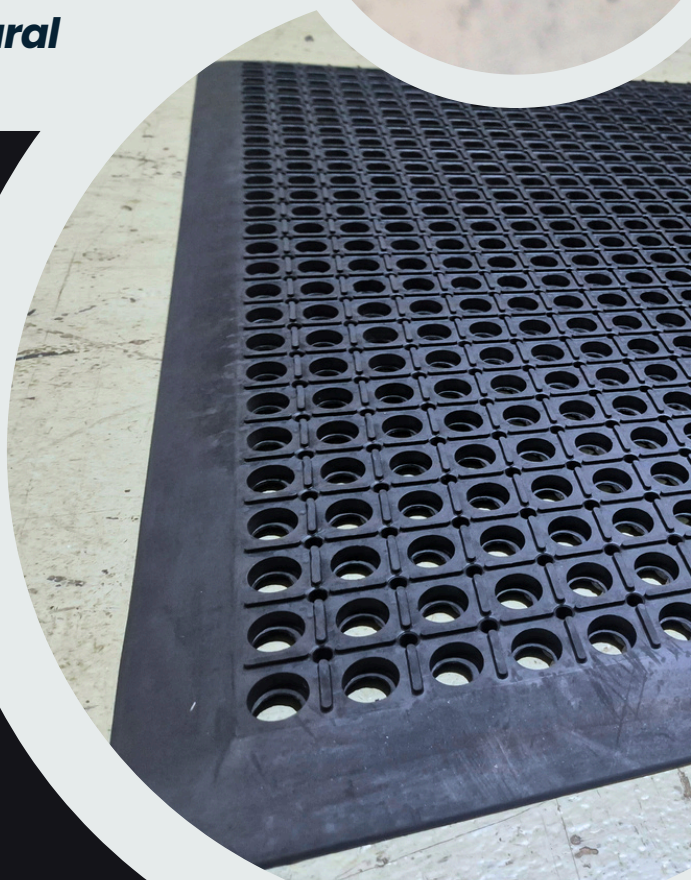
AMCO

Anti-Slip + Mat Co.

WORKEASE

For operators of lathes, drill presses, mills or machines where matting priorities are;
1- comfort, 2- drainage and 3- customisation.

Available in two different grades. 100% nitrile for greasy and oily environments, plus a natural formula for dry areas.



- Best industrial safety mat for anti-fatigue in very wet areas.
- Conical lugs provide excellent drainage with minimal surface contact.
- Bevelled edges on all sides to reduce tripping hazards.
- A slim 15mm profile allows trolleys or forklifts to roll over with ease.
- Extended 4 year warranty.

STANDARD SIZES:
1500x900mm & 2900x900mm
CUSTOM SIZES EASILY ACHIEVABLE
20m rolls
